ORDER

The Institute has decided to provide a mechanism to faculty for redressal of their grievances in matters directly affecting them either individually or as a group.

The grievance of the individual or group will be given fair and reasonable opportunity to be heard in detail before the chairman and other members of the committee in a peaceful and conciliatory environment depending upon the issue. If the issue demands appropriate evidence in the form of a material evidence or personal witness may be introduced by the aggrieved person. The chairman of the committee, in constitution with the member(s) will submit the report to the principal at the earliest possible time who, in turn, depending upon the nature, magnitude and jurisdiction of the issue will arrange for the appropriate and early measure of redressal of the grievance, under the management and the same shall be communicated to the aggrieved person.

All the proceedings of the Grievances mechanism will be suitably documented and recorded.
