(ESTABLISHED 19-02-1918, AN ISO-9001-2008 Certified)

**(REGISTERED UNDER SOCIETY'S REGISTRATION ACT 1860:
MAHARASHTRA PUBLIC TRUST ACT 1950)**

The Gokhale Education Society was founded on 19th February 1918, on the third death anniversary of Namdar Gopal Krishna Gokhale, by his illustrious disciple late Principal T. A. Kulkarni, who was a great social worker. Society has completed 108 years of meaningful existence and has today more than 140 units spread over three zones Mumbai, Nashik, Thane-Palghar catering 1.25 lakhs pupil. It is one of the oldest and pioneering educational institutions established with the main objectives of developing quality citizens through education and training. The society has all along emphasized the holistic approach and total personality development of pupil, through educational programmes undertaken on the basis of service and dynamic leadership. The society is a veritable banyan tree. A number of branches of the Society have like its descending shoots taken roots in the ground and strengthened it.

The Gokhale education society is committed to the cause of student empowerment through access to education at all levels particularly in higher education, to have world-class citizenship through relevant courses under formal and informal streams. Further, the society is committed to raise the dignity of the teaching profession and establish a culture of caring and excellence by providing a wide range of professional and vocational courses for poor and downtrodden as also for the Adivasis and backwards to meet the changing socio- economic needs with human values and social responsibility. To achieve excellence with total quality in all activities of lifelong learning is the main motive of Gokhale Education Society.

Preface

It gives us immense pleasure to present the **Annual Report 2025–26** of **Gokhale Education Society's Sir Dr. M. S. Gosavi Polytechnic Institute, Nashik Road, Nashik**. This report highlights the institute's significant achievements, academic progress, and various activities undertaken during the academic year, reflecting our commitment to excellence in technical education and holistic student development.

Throughout the year, the institute successfully organized numerous **industrial visits, expert lectures, workshops, seminars, Faculty Development Programmes (FDPs), and training sessions** to strengthen the knowledge and skills of both students and faculty members. Various **Student Chapter activities**, technical competitions, innovation programmes, and community outreach initiatives provided students with opportunities to enhance their technical, leadership, and professional competencies.

The institute celebrated its **Annual Cultural and Prize Distribution Function**, recognizing outstanding achievements in academics, sports, cultural, and co-curricular activities. Students demonstrated commendable performance in the **MSBTE examinations**, securing excellent results, distinctions, and subject-wise achievements across different diploma programmes.

The institute also successfully completed the **MSBTE Academic Monitoring Process with “GOOD” remark**, further strengthening its academic practices, governance, and quality assurance systems. Faculty members and students earned recognition through research publications, technical competitions, project exhibitions, sports, cultural events, placements, and various state and national-level achievements.

These accomplishments have been possible because of the continuous support and guidance of the **Management of Gokhale Education Society**, the visionary leadership of the Principal, the dedicated efforts of faculty and staff, and the enthusiasm and commitment of our students.

As we present this Annual Report, we reaffirm our commitment to providing quality technical education, promoting innovation, strengthening industry-institute interaction, and nurturing competent professionals equipped with knowledge, skills, and values to contribute effectively to society and the nation.

"Together, we strive to empower young minds with knowledge, skills, values, and innovation for building a technologically advanced and socially responsible nation."

With warm regards,

Editorial Committee

- **Effective use of social media**, Face book, Instagram, Telegram and YouTube channel are the social media WebPages widely used by various stake holders of an institute.
- **E- Governance and Mentoring Scheme**, started for academic progress. **E-Governance** is the application of information technology platform used for communicating, Delivering, Storing and Sharing data as and when required. Google site platform is used for developing E-governance system at our institute. <https://sites.google.com/gespoly.org/erp/home>. We use this platform for monitoring all assigned academic work which is easily accessible to all students and their parents. Administrative activity and their data sharing and collection of data from students without paper work are possible with this system. Class wise faculty details, timetable, assignments, question bank are easily shared to students through this platform. All students and faculty academic data is stored in one folder which institute can use as and when required. **Department wise Mentoring Scheme** is implemented at institute. All faculty members are mentor for assigned students. Mentor is responsible for monitoring the academic as well as overall performance of assigned students. Mentor act as a mediator between the stake holders like parents, Teachers and Institute authorities. Under mentoring scheme activities like generating students' performance record and sharing same with their parents, addressing student's issues and personal counseling as and when required is taken up. Mentoring scheme play vital role in coordination with stake holders.
- **Orientation Programme** taken for First year students on 12th Aug. 2025 on the occasion of Librarians Day. Creative competitions were organized; like Book Review, Library at 2050, Design your Book Cover. Winners included Vishnuprasad Pathak (Book Review), Sanjana Shejwal (Book Cover Design), and Bhavya Pokar & Naitik Avhad (Library of the Future – 2050), who were awarded certificates and prizes by the Principal.
- Our Students actively participated in different Cultural events in Antragni 2K26.

Dignitaries and Guests of Honour:

The event was graced by several esteemed dignitaries:

1. **Dr. Mrs. Deepti P. Deshpande** - Secretary, Gokhale Education Society
2. **Mr. Pradeep M. Deshpande** – Project Director, Gokhale Education Society
3. **Mr. Tushar Patwardhan** – Chief Guest, Tushar Industries
4. **Dr. Gorksha Garje** – Guest of Honour, Principal, RO, G P Nashik

➤ **Academic Achievements of Staff:**

A special segment of the gathering was dedicated to recognizing the faculty for their academic achievements. The following professors were acknowledged for their outstanding contributions:

- 1) **Prof. Abhijit Aher** - 91.25% Average passing percent of students
- 2) **Prof. Pragati Aringale** - 93.00% Average passing percent of students
- 3) **Prof. Amruta Malode** - 99.13% Average passing percent of students

4) **Prof. Dipali Patil**- 91.48% Average passing percent of students

5) **Prof. Milind Bobade**- 71.75% Average passing percent of students

- **Best Book Reader award to Student:** Atharv Doijode
- **Best Book Reader award to Faculty:** Prof. Pragati Aringale
- TYME student **Kartik Shelar** visited Bangalore for a TECH & AI tour, where he explored leading companies such as Google Cloud, IBM, SAP Labs, Razorpay, PhonePe, RedBus, and IISc Bangalore. During this visit, he gained real-life exposure to how these companies operate at the backend and learned about the new technologies they are adopting in the field of Artificial Intelligence.
As per guidelines of P. M. Deshpande sir, we had organized a lecture session for all TY students on date 27 Mar 26.
- Second Year Computer Engineering student, **Viraj Sham Chaudhari**, secured a Bronze Medal at the Endurance National Speed Skating Championship while representing Maharashtra. He is selected to represent India at the Endurance International Championship to be held at Maldives in the month of June 26.
- **Student clubs and organizations activities:** Joel Varasala, a TYME student, is a co-founding member of the DTBM (Dare To Be More) Run Club. Through this club, individuals are trained in hybrid athletic training to enhance their overall fitness and performance.
- **Faculty Publications:**
 1. Prof. P. B. Dhule Published a paper on Review of Blockchain based solution for Certificate Integrity and Issuer Authentication in IJLRP Google scholar.
 2. Asst. Prof. Gauri Borade published research paper on “Measuring Return on Investment (ROI) of Digital Library Tools in Polytechnic Institutes” in the Proceedings of HSLACON 2026 National Conference, Rajasthan on 31st Jan 2026.
 3. Dr. D. B. Zoman published a research paper titled “A Review on properties of Natural Fiber Reinforced Composite Materials for automotive application” in the STM Journals- Journal of Polymer and Technology; Vol. 14, Issue No. 01 dated 05.02.2026.
 4. Dr. S. P. Deshpande and Prof. M. N. Rane registered to attend the IMKE International conference. Prof. A. S. Aher, Prof. P. B. Dhule, and Asst. Prof. G. P. Borade submitted a research paper for the IMKE International Conference.
- **Mr. Gaurav Kakde** Electrical Engineering Alumni selected as a **Technician at MSEDCL, Nashik.**
- Science Exhibition organized on 20th Dec. 2025. 70 groups of student were participated. The science exhibition was inaugurated by Zonal Secretary Dr. Ram Kulkarni. Three winners were announced.

- Dr. D. B. Zoman completed Power BI Workshop on 21st Dec. 2025.
- **IEDSSAE-2zoneVolley Ball** matches organized at the Institute dated 3rd and 4th Feb., 2026.
- **Electrical Engineering Departments' Industrial Visits** at Traction Machine Workshop and Railway Wheel Shop dated 5th Feb. 2026 and are going to visit NMC for Smart city project on 7 Mar 26 for **The Integrated Command and Control Center (ICCC)** of the Nashik Municipal Corporation through real-time surveillance, smart infrastructure monitoring, and rapid emergency response. It includes AI-powered CCTV surveillance, intelligent traffic management, smart sewage treatment control, and dedicated disaster management systems, particularly for the Kumbh Mela.
- Expert Lecture on "Career Opportunities in Hydraulics" by Mahagyan Global Institute, Ambd dated 5th Feb. 2026.
- Our 20 students participated in the Constitution Awareness Quiz 2026, organized by Maharashtra State Commission for Scheduled Castes and Scheduled Tribe, Mumbai.
- Prof. Madhuri Navale and Prof. Dipali Patil completed the faculty development program organized by AICTE Training and Learning (ATAL) Academy on "Energy Sustainability and Climate Change" from 05.01.2026 to 10.01.2026.
- Expert lecture was organized by Civil Engg. Department on "Building Material and Construction on-site challenges and recent trends" dated 6th January, 2026; Mr. Vaibhav Rikame was the speaker.
- **Unit Test 1st** conducted during the period 28th Jan. 2026 to 31st Jan. 2026.
- Civil Engineering department arranged a visit to Nashik road railway station for second and third year student on date 11 Feb 26. Students were given exposure to **Points and Crossings(Switches)**: Nashik Road has a complex interlocking system allowing for train diversion between multiple platforms and the main line. The junction point can be analyzed for train speed restrictions, turn out angles, and maintenance requirements. **Railway Channel Section/ Track Infrastructure**: As a high-speed route, this section showcases modern track engineering, including heavy-duty concrete sleepers, extensive use of long-welded rails (LWRs), and elastic fastenings for stability. **Track Geometry & Layout**: The station layout shows multiple passenger platforms and dedicated freight tracks, illustrating efficient track, and platform, organization. **Future Upgrades**: The ongoing development of new lines (e.g., to Shirdi) provided context for studying new rail-line alignment and track integration.
- Mechanical Engineering Department organized three days **Faculty Development Program** from 12th Feb. 2026 to 14th Feb. 2026. Ms. Vrushali Joshi, Proprietor, Technocave Co., Pune; Dr. Satish More, Asso. Prof. Mechanical Department, NMIET, Pune; Dr. Bhushan Behede, Asst. Prof. Mechanical Engineering Department, SVKM IOT; Mr. Abhishek Nibe, Lect. Computer

Approved by AICTE, DTE & Affiliated to MSBTE

Department, NBA Coordinator, PDVVP IOT; Mr. Prashant Kamble, Technical Expert, Live tech India, Mumbai and Dr. Digambar Zoman, Lecturer of Mechanical Engineering Department Sir Dr.

M. S. Gosavi Polytechnic Institute were the Expert speakers of the online FDP.

- **Computer Engineering Department** organized Industrial Visit at R3 Systems India Pvt. Ltd. and Sumago Infotech Pvt. Ltd. dated 14th Feb. 2026. We have signed MOU with R3 Systems.
- On the occasion of **birth Anniversary of Chatrapati Shivaji Maharaj** institute organized “पदयात्रा” dated 18th Feb. 2026.
- The organization's **annual magazine Antaragni 2026** was selected for the **Best Magazine Award**.
The organization received this award from the hands of Respected Dr. Dipti Deshpande, Secretary GE Society on the occasion of Gokhale Education Society's 108th Foundation Day celebration dated 19th Feb. 2026.
- Parents Teacher Meet organized by Civil, Computer and Electrical Engineering department dated 14th, 21st and 28th Feb. 2026.
- First year Mechanical Engineering Students made Micro Project on “Bend Square Pipe at Right Angle without Removing Material”, “Job holding device”, “Screw Jack for lifting” and “Welding Fixture Design”.
- Prof. M. N. Rane taken orientation program for faculty regarding CIAAN norms of MSBTE dated 21st Feb. 2026. Prof. Anand Panchakshari guided new faculties about course file formats for MSBTE's Monitoring dated 16th Feb. 2026.
- 65 students from third year actively participate in Gokhale **Education Society's Mega Campus Placement Drive**. Over 40+ companies and 900+ students participated at mega campus placement drive organized from 23rd Feb. 2026 to 24th Feb. 2026. Prof. Jayant Mahajan, Training and Placement Officer had taken initiative for this Drive.
- Mechanical department celebrated World Printing Day under MESA dated 27.02.2026; Old coins exhibition arranged by the department. Prof. Milind Bobade, Prof. Amit Sadgir and all staff and students of Mechanical department taken initiative for this events success.
- मराठी भाषा गौरव दिन celebrated in the Institute on the occasion of 114th birth anniversary of the great poet Kusumagraj dated 27.02.2026. Asst. Prof. Gauri Borade, Librarian and Ms. Priyanka Pagare, Library Clerk organized the event. The participation of the students in the programs of speeches, poems and मनाचे श्लोक was very commendable.
- Two day workshop on Universal Human Values organized for all first year students dated 28th Feb and on 6th March 26.
- Dr. D. B. Zoman appointed as a research reviewer for International Journal of innovative

research in Technology.

- Prof. J. S. Mahajan sir conducted an informative and hands on two days workshop on AutoCAD at government Polytechnic, Nashik, on 13th and 14th October 2025
- **We have applied for copy right of our own developed Google based ERP system on 01.03.2026**
- Dr. D. B. Zoman published a research paper in Journal of Polymer and composites ISSN 2321-2810, Aug. 2025 titled “A Review On Properties Of Natural Fibre Reinforced Composite Material For Automotive Application”.
- Tree plantation drive by staff and students on the occasion of “World Environment Day” dated 05.06.2026.
- Prof. Sonal More published a research paper in International Journal of Scientific Research in Engineering and Management (IJSREM), Volume: 10 Issue: 07 | Jul - 2026 SJIF Rating: 8.659 ISSN: 2582-3930 titled “Design, Synthesis, Molecular Docking, Admet Prediction and In Vitro Anticancer Evaluation of Novel Curcumin–Quinoline Hybrid Derivatives”.
- Prof. Abhijit Aher published a research paper in Global Online Electronic International Interdisciplinary Research Journal (GOEIIRJ), Volume – XV Issue – III May – June 2026 titled “Reimagining Nature under Colonialism: A Postcolonial Ecocritical Reading of ‘Things Fall Apart’ by Chinua Achebe”.
